

**Urine drug testing for Performance Drink
by
Center for Health and Human Performance
Department of Exercise and Nutrition Sciences
University at Buffalo**

Appendix A

All samples were tested by Clinical Reference Laboratory or sent by CRL to Quest Diagnostics Inc. CRL performed the drug panel in Lenexa Kansas. Quest processed the anabolic agents panel in their DHHS Certified Lab in Las Vegas, NV. Copies are provided under separate cover with all identifying codes removed (reports are labeled with subject id, time of urine collection [pre and post] and type of drink consumed).

Original reports are stored in the research lab of Dr. Peter Horvath, Sherman 10, Department of Exercise and Nutrition Sciences, University at Buffalo, Buffalo, NY. Accesses to the reports are also available on a secure server at CRL by password which Drs. McCarroll, Darling and Horvath have knowledge of.
